# MANAGING EFFECTIVELY

*VIRTUAL PROGRAM | LEADERSHIP*

# OVERVIEW

Being a manager makes you grow personally, develop resources and contribute to the success of the company. Stepping into a management role is not easy and involves a big change in what you do and how you do it. This interactive program provides management and leadership tools and helps you develop the skills to be an effective manager.

# OBJECTIVES

This training programme touches on the following qualities of widespread leadership:

- Adopt the most effective leadership style based on the skill level and motivation of team members
- Manage change and transition effectively
- Use delegation as the main lever for growth and achieve results through the contribution of others
- Motivate and engage team members around shared objectives
- Leading the performance management process, defining and communicating objectives, monitoring, giving feedback and defining development plans
- Coaching

# CONTENTS

The course is structured in the following modules:

- Management vs Leadership
- Performance Management
- Motivation & Engagement
- Manager Coach
